New students need to be admitted to their degree program, submit the 2012-13 Application for Financial Aid (or other appropriate application) and the 2012-13 FAFSA by the applicable deadline.

### Decision Notification

2. New students will be notified of the scholarship decision within a month after the deadline it is considered, i.e. applications submitted by February 15 will be reviewed & letters will be posted or mailed within 30 days. If the consideration is delayed for some reason, you will be notified via email during that time period.

### Application Tip

3. Please review & gather the information needed for the online Application for Financial Aid before you begin it as you must complete & submit it within 20-30 minutes to avoid being "timed out" by the computer system.

### Key Policies

4. In most cases, you must be a full-time student (10 hours for all degrees except ThM which is 8 hours) in the Fall & Spring semesters to receive a scholarship. An exception is made in your final year if you are taking all the courses needed to graduate but are unable to finish in one semester.
5. Scholarships & awards are given for one year at a time and must be reapplied for in subsequent years.
